

ACHI

SINGER - SONGWRITER

ORIGINAL MUSIC | LIVE PERFORMANCE | NEW JERSEY

ABOUT ACHI

ACHI is a New Jersey-based singer-songwriter whose original music blends heartfelt storytelling, melodic rock energy, and emotionally direct vocals. His songs were written quietly over years before reaching the studio and stage. Now, following live performances across North Jersey and the professional studio recording of his new single, ACHI is building an original catalog for audiences who come to listen, connect, and remember the story.
